(Boletín en Español debajo)

Principal's Message

Hello Bobcat Families,

What a fabulous last full week of school we have had. This week we celebrated our new members to NJHS and our Advanced Academic student accomplishments at the family event. In addition, we took our 8th grade dual language students to a district celebration to recognize their accomplishments. Our orchestra and band students showcased their amazing music at their spring concerts this week. We closed out the week with our annual mud run sponsored by our JROTC program.

Reminders:

There will be no school on Monday, May 26th.
The last day of school is Thursday, May 29th.
There will be no backpacks the last week of school.
If your child hasn't turned in their chromebook or charger please bring those in.

Families please complete the family survey [linked here](#). The leadership team uses data from staff, students and families to help drive initiatives for the coming year. Your voice matters to us.

RSVP for 8th Grade Promotion Ceremony: We highly encourage pre-registering to help with the long lines. Pre-Registration will close on Tuesday, May 27th. Gym doors will open at 8:45 to start checking in guests and the ceremony will start approximately at 10:00am. All check-ins will take place in the gym.

Remember that attendance is critical to ensure student success. Make sure to reach out to the attendance office if your child is unable to attend school. In addition, remember all students are expected to be in Bedichek standardized dress code and all cell phones must be put away during class time. Please see the website for more information.

Thank you for all of your support.
Angela Atkinson

Summer Reading Skills PROGRAMS

CLASSES OFFERED IN AUSTIN

Program for 4-Year-Olds and Entering Kindergartners
In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and get excited about books and reading.

Program for Entering 1st Graders
In this fun summer program, your child will learn to read independently. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

Program for Entering 2nd Graders
In this fun summer program, your child will become a confident, fluent reader. Children build solid phonics skills, develop reading fluency, and improve comprehension. Your child will develop a love of reading and get off to a great start in second grade.

Program for Entering 3rd Graders
In this fun summer program, your child will become a strong, confident reader. Children improve fluency and comprehension, build long-word decoding skills, and expand vocabulary. Your child will develop a love of reading and get off to a great start in third grade.

Programs for Entering 4th and 5th Graders
In these fun single-grade programs, your child will become a skilled, confident reader with strong comprehension in fiction, nonfiction, and textbooks. Students expand their vocabulary and learn to read more fluently and rapidly. As a result, your child will complete homework more quickly and easily, get better grades, and enjoy reading more.

Programs for Entering 6th, 7th, and 8th Graders
In these single-grade programs, your son or daughter will make substantial gains in comprehension and reading speed in fiction, nonfiction, and textbooks. Students expand vocabulary and learn the best way to take notes. As a result, your child will complete homework more quickly and easily, get better grades, and build confidence as a reader.

Programs for Entering 9th and 10th Graders
In these single-grade programs, students learn the skills they need to succeed in high school. Your child will double reading speed and improve comprehension and focus in fiction, textbooks, and nonfiction. Students expand their academic vocabulary and learn study strategies to complete work efficiently, get better grades, and score higher on exams.

Programs for Entering 11th, 12th, and College Freshman
Students learn college-prep skills that help them complete work efficiently and earn better grades and test scores. They double reading speed and improve comprehension, focus, and recall.
