Principal's Message

Hello Bobcat Families,

This has been a great week for our Bobcat Students. Our Bobcat Volleyball Team competed this week and brought home multiple wins. Our Bobcat football team played their second game and dominated - bringing home their second win. Great job athletes for playing strong and showing Bobcat pride on and off the court.

Our first PTA membership meeting will be Tuesday, September 24th at 5pm in the library and by zoom at <https://austinisd-org.zoom.us/j/86401172366>. In addition, if you or someone you know has their own business and would like to be part of our 1st annual Craft Show this fall please reach out to the PTA president at president.bedichekmspta@gmail.com.

Just a reminder that all students are expected to be in Bedichek standardized dress code and all cell phones must be put away during class time. Please see the website for more information.

Thank you for all of your support.

Dear Parents or Guardians:

Families play an important role in the school success of children. There are many different ways that you can get involved and support your children's learning. We would like to know what you need from the school to help help your child do well in school.

Family engagement is very important at Bedichek, but we'd like to make it even better and make sure our program meets the needs of families, students, and teachers. You can help us form a better partnership between school and home by answering the questions on the Google survey.

Estimados padres o tutores:

Las familias juegan un papel importante en el éxito escolar de los niños. Hay muchas maneras diferentes en las que usted puede participar y apoyar el aprendizaje de sus hijos. Nos gustaría saber qué necesita la escuela para ayudar a que su hijo tenga un buen desempeño en la escuela.

La participación familiar es muy importante en Bedichek, pero nos gustaría mejorarla aún más y asegurarnos de que nuestro programa sea satisfecho para las necesidades de las familias, los estudiantes y los maestros. Puede ayudarnos a formar una mejor asociación entre la escuela y el hogar respondiendo las preguntas de la encuesta de Google.

Atentamente,
