Principal's Message

We have had another busy week full of events and testing. We completed the math STAAR Interim Testing on campus - leaving us one more next week. I want to thank you for your support and making sure your children are at school with their chromebooks. We will be finishing up our testing next week completing 8th grade history on February 21st. In addition many of our students have started participating in their pre-UIL performances and preparation which will continue into the next several weeks.

Remember that attendance is critical to ensure student success. Make sure to reach out to the attendance office if your child is unable to attend school. In addition, remember all students are expected to be in Bedichek standardized dress code and all cell phones must be put away during class time. Please see the website for more information.

Parent volunteers are needed on campus to serve on the PTA. We are currently taking nominations for the PTA board (President, Vice-president, Secretary, Treasurer and other positions) and will vote on March 5th for the new board. Please reach out if you are interested in serving on PTA.

Thank you for all of your support.
